Our Church

Mission Statement

The First Chinese Baptist Church of San Francisco is a multigenerational bilingual bicultural church. Through the power of the Holy Spirit, we are called to be a people so transformed by God's gracious love in Jesus Christ that we joyfully commit ourselves in worship, witness, discipleship, and ministry.

Church Affiliation

FCBC is located in the heart of San Francisco Chinatown. Organized in 1880, the church is affiliated with the American Baptist Churches of the USA, and locally with the Chinese Christian Union of San Francisco.

Church Profile

The church has an active membership of 500+. The current church staff is structured with a Senior Pastor, a Pastor of Chinese Ministries, an Associate Pastor English Speaking Ministries, a Pastor of Community Outreach Ministries, Church Administrator and Bookkeeper.

Church Ministries

Consistent with our mission statement, the three pillars that support our ministries are congregational worship, discipleship training and witness through missions. All three are

essential to the connectedness of our many generations, languages, and cultures. All three are essential to our service as one body in Christ.

Congregational Worship

We have an English worship services, and a Chinese worship service.

Discipleship Training

Scheduled concurrently with worship services are church school classes for children, youth, and adults. Eighteen fellowship groups spanning youth to seniors meet regularly. Choirs, bell choirs, regional Bible study groups, camps, retreats and conferences provide additional opportunities for fellowship, study and service.

Witness Through Missions

Our members live throughout the San Francisco Bay Area. Outreach to friends and coworkers draws people, both English and Chinese speaking, from as far as 50 miles. The church's major missions priority is reaching and serving the SF Chinatown community. Through ESL and citizenship classes, we nurture relationships that bring the Good News of Christ to adult immigrants. Our Reception Ministry program reaches out to neighbors and visitors to Chinatown. Day Camp serves community children full-time during the summer months to reach the children and their families for Christ. On the national and world stage, we support the work of American Baptist missions. And more directly, through water and coffee projects, we are committed to team-based missions in Thailand.
